Dear colleagues,

We want to inform you and your coworkers about decision to extend the deadline for abstract submission at The 11th Balkan Congress of Human Genetics, Belgrade, Serbia, September 17-20, 2015.

The extended deadline for abstract submission is **June 15th, 2015**. Authors are kindly invited to submit 250-word abstracts through the online submission system available on the Conference website (<http://www.astratravel.rs/genetics.php>). Authors will be notified regarding the acceptance of their abstracts after reviewing.

**IMPORTANT:**

We are pleased to inform you that all abstracts submitted will be considered for the fellowships (covered registration fee and up to 4 nights hotel accommodation)!

Fellowship recipients will be selected among the first/presenting authors, on the basis of abstract evaluation by the 11<sup>th</sup> BCHG Scientific Committee. Participants who have been granted a fellowship will be informed well before elapse of the early registration fee deadline.

**IMPORTANT NEWS FOR SERBIAN PARTICIPANTS:**

All abstracts submitted from Serbia will be considered for free registration fee!

Recipients will be selected among the first/presenting authors, on the basis of abstract evaluation by the 11<sup>th</sup> BCHG Scientific Committee, and will be informed well before elapse of the early registration fee deadline.

Best regards,  
11<sup>th</sup> BCHG Organizing Committee
